Hi Wendy,

That is great and I think we'll need the additional sped folks. Unfortunately, the second training is tomorrow. I will forward it to you and you can check to see if either one of them can make it. Hope it works out. Thanks,

Hi Nazie,

Gail Lott and Gloria Durosko are our Secondary School Specialists and they are interested in participating in reviews this year. However, I missed them in the training session. Is there going to be another one that will be arranged so they can participate?

Thank you,

Wendy

Subject: Potential changes to DPS visits

Hi All,

As you know, DPS is in limbo right now on some of their work due to the pending teacher strike. Depending on what happens with the strike next week, we may have to move some of the currently scheduled DPS visits.

I am going to send you some holds for April dates, just as a precaution. If you could accept to hold these dates for now, that would be much appreciated. If the hold conflicts with something, then please decline so that we know ahead of time how many we could potentially on the visit before we offer that date to the district.

Wendy, as always, please feel free to forward the holds to others on your team as you see fit.

Thanks,
Nazie
